MAY 2006-N°5 OFFICIAL JOURNAL OF THE GABONESE REPUBLIC 1 OFFICIAL PART _____ ACTS OF THE GABONESE REPUBLIC _____ Constitutional Court _____ Decision N°012/CC of April 11, 2006, regarding the replacement of two advisors to the departmental council of Mougalaba. In the name of the Gabonese people; The Constitutional Court; Considering the request registered at the Court's Registry on March 30, 2006 under number 01310CC, by which Mr. DICKOBOU KOMBILA François, head of the independent list, has seized the Constitutional Court in order to see, on the one hand, recognize the vacancy of two elected seats in the Council departmental of MOUGALABA, following the death of Mr. MAPANGOU Joseph and the resignation of Mr. NTSIGOU Jean Dackostant and, on the other hand, proceed to their replacement respectively by Mrs. GNAMA BASSAKAMBI Julie and Mr. MBADINGA Emery Rodrigue, candidates who immediately follow the last candidate proclaimed elected on the independent candidacy list led by Mr. DICKOBOU; Considering the Constitution; Considering the organic law n°9191 of September 26, 1991 on the Constitutional Court, amended by the organic law n°003/2003 of June 2, 2003; Considering the law n°7/96 of March 12, 1996 containing common provisions for all political elections, amended by the law n°015/2005 of August 26, 2005 and the ordinance n°002/PR/2005 of August 11, 2005; Considering the law n°19/96 of April 15, 1996 relating to the election of members of departmental councils and municipal councils; Considering the proclamation decision n°005/CC of January 13, 2003 rendered by the Constitutional Court; The Rapporteur having been heard; 1- Considering that by the aforementioned request, Mr. DICKOBOU KOMBILA François, head of the independent list, has seized the Constitutional Court in order to see, on the one hand, recognize the vacancy of two elected seats in the Council departmental of MOUGALABA, following the death of Mr. MAPANGOU Joseph and, on the resignation of Mr. NTSIGOU Jean Dackostant and, on the other hand, proceed to their replacement respectively by Mrs. GNAMA BASSAKAMBI Julie and Mr. MBADINGA Emery Rodrigue, candidates who follow immediately the last candidate proclaimed elected on the list of candidacies of the Independents led by Mr. DICKOBOU; 2- Considering that according to article 15 of the law n°19/96 of April 15, 1996 mentioned above, in case of resignation or death of one or more members of a council, it is provided for their replacement by the candidate or candidates who follow immediately on the list; 3- Considering that it results from the examination of the documents of the file that, on the one hand, Mr. MAPANGOU Joseph is deceased in MOUILA on May 16, 2005, as evidenced by the death certificate n°29 of May 24, 2005; that, on the other hand, Mr. NTSIGOU Jean Dackostant has, by letter dated March 1, 2006, resigned from the departmental council of the MOUGALABA; 4- Considering that it is therefore appropriate to recognize the vacancy of two elected seats in the council departmental of the MOUGALABA and to fill these seats by proclaiming elected departmental advisors Mrs. GNAMA BASSAKAMBI Julie and Mr. MBADINGA Emery Rodrigue, both candidates who follow immediately the last candidate proclaimed elected on the list of candidacies of the Independents led by Mr. DICKOBOU; D E C I D E : Article 1: It is recognized the vacancy of two elected seats on the list of candidacies of the independents led by Mr. DICKOBOU in the Council departmental of the

MOUGALABA following the death of Mr. MAPANGOU Joseph and the resignation of Mr. NTSIGOU Jean Dackostant. Article 2: Are proclaimed elected advisors to the Council departmental of the MOUGALABA, in replacement of Messrs. MAPANGOU Joseph and NTSIGOU Jean Dackostant, Mrs. GNAMA BASSAKAMBI Julie and Mr. MBADINGA Emery Rodrigue, both candidates who immediately follow the last candidate proclaimed elected on the list of candidacies of the independents led by Mr. DICKOBOU.

Article 3: This decision will be notified to the applicant, the President of the Republic, the Prime Minister, the President of the Senate, the President of the National Assembly, the Minister in charge of the Interior and published in the Official Journal of the Gabonese Republic or in a legal announcement newspaper. Thus deliberated and decided by the Constitutional Court in its session of April eleven two thousand six, where sat: Mrs. Marie Madeleine MBORANTSUO, President; Messrs. Hervé MOUTSINGA; Dominique BOUNGOUERE; Jean Eugène KAKOU MAYAZA; Mrs. Louise ANGUE; Mr. Joseph MOUGUIAMA, members, assisted by Master Jean-Laurent TSINGA, Chief Clerk ad joint. _____ Decision N°014/CC of May 2, 2006, concerning the correction of a material error affecting decision n°004/CC of February 3, 2006 regarding the replacement of a municipal advisor in the municipality of TCHIBANGA. In the name of the Gabonese people; The Constitutional Court; Considering the request registered at the Court's Registry under n°013 bis/GCC of April 7, 2006, by which the Secretary General of the Gabonese Democratic Party has seized the Court for the purpose of correcting the material error

 affecting decision n°004/CC of February 3, 2006 concerning the replacement of a municipal councilor in the first arrondissement of the Commune of TCHIBANGA, in that Mrs. Francine BOUKANDOU MANFOUMBI has been proclaimed elected in place of Bernard BISSIELOU, deceased, whereas the candidate who immediately follows the last candidate proclaimed elected on the list of candidates of the said political party is Mr. Franck IBOUNDA MOULOUNGUI ; Considering the Constitution ; Considering organic law n°9/91 of September 26, 1991 on the Constitutional Court, amended by organic law n° 003/2003 of June 2, 2003 ; Considering law n°7/96 of March 12, 1996 on common provisions for all political elections, amended by law n°15/2005 of August 26, 2005 and ordinance n°002/PR/2005 of August 11, 2005 ; Considering law n°19/96 of April 15, 1996 concerning the election of members of departmental councils and municipal councils; Considering proclamation decision n°005/CC of January 13, 2003 issued by the Constitutional Court ; The Rapporteur having been heard ; I- Considering that by the aforementioned request, the Secretary General of the Gabonese Democratic Party has brought before the Constitutional Court for the purpose of correcting the material error affecting decision n°004/CC of February 3, 2006 concerning the replacement of a municipal councilor in the first arrondissement of the Commune of TCHIBANGA, in that Mrs. Francine BOUKANDOU MANFOUMBI has been proclaimed elected in place of Bernard BISSIELOU, deceased, whereas the candidate who immediately follows the last candidate proclaimed elected on the list of candidates of the said political party is Mr. Franck IBOUNDA MOULOUNGUI ; 2- Considering that organic law n°9/91 of September 26, 1991 provides in its article 86 paragraph 1 that "when a decision of the Constitutional Court is tainted by a material error susceptible of having exercised an influence on the judgment of the case, the interested party has the right to introduce, before this jurisdiction, a request for correction" 3- Considering that it follows from the above that having proclaimed elected municipal councilor on the list of candidates of the Gabonese Democratic Party in the first arrondissement of the Commune of TCHIBANGA, Mrs. Francine BOUKANDOU MANFOUMBI in place of Bernard BISSIELOU, deceased, whereas the candidate who immediately follows the last candidate proclaimed elected on the said list is Mr. Franck IBOUNDA MOULOUNGUI, the decision of the Court issued on February 3, 2006 is tainted by a material error; that it is necessary to correct this by proclaiming elected municipal councilor Mr. Franck IBOUNDA MOULOUNGUI ;

D E C I D E : Article one: Decision n°004/CC of February 3, 2006 concerning the replacement of a municipal councilor in the first arrondissement of the Commune of TCHIBANGA is tainted by a material error concerning the designation of the candidate proclaimed elected municipal councilor. Article 2: It is ordered the correction of this material error and proclaimed elected municipal councilor in replacement of Bernard BISSIELOU, deceased, Mr. Franck IBOUNDA MOULOUNGUI. Article 3: This decision will be notified to the applicant, to the President of the Republic, to the Prime Minister, to the President of the Senate, to the President of the National Assembly, to the Minister in charge of the Interior, and published in the Official Journal of the Gabonese Republic or in a legal announcements newspaper. Thus deliberated and decided by the Constitutional Court in its session of May 2, 2006, where sat: Messrs. Jean Eugène KAKOU-MAYAZA ; Joseph MOUGUIAMA, Members, assisted by Master Jean Laurent TSINGA, Deputy Chief Clerk. _____ Decision N°015/CC of May 11, 2006, concerning the replacement

of two municipal councilors in the second and third arrondissements of the Commune of Port-Gentil. In the name of the Gabonese people ; The Constitutional Court, ; Considering the request registered at the Registry of the Court on May 2, 2006 under n°015/GCC, by which Mr. Séraphin NDAOT REMBOGO, acting on behalf of the Gabonese Progress Party, has brought before the Constitutional Court for the purpose of having, on the one hand, the vacancy of two seats of elected officials on the lists of candidates of the said political party in the Commune of Port specifically in the second arrondissement, after the resignation of Mr. Sans Douté NZAMBA IBOUANGA and in the third arrondissement, due to the death of Pierre Louis AGONDJO OKAWE and, on the other hand, to proceed with their replacement respectively by Messrs. Sylvano ESSONGUE and Paul KOMBE; Considering the Constitution; Considering organic law n° 9/91 of September 26, 1991 on the Constitutional Court, amended by organic law n° 003/2003 of June 2, 2003; Considering law n°7/96 of March 12, 1996 on common provisions for all political elections, amended by law n°015/2005 of August 26, 2005 and ordinance n° 002/PR/2005 of August 11, 2005; Considering law n°19/96 of April 15, 1996 concerning the election of members of departmental councils and municipal councils; Considering proclamation decision n°005/CC of January 13, 2003 issued by the Constitutional Court; Considering decision n°096/CC of the Constitutional Court of August 29, 2003 concerning the replacement of a municipal councilor in the second arrondissement of the commune of Port- Gentil; The Rapporteur having been heard ; 1.- Considering that by the aforementioned request, Mr. Séraphin NDAOT-REMBOGO, acting on behalf of the Gabonese Progress Party, has brought before the Constitutional Court for the purpose of having, on the one hand, the vacancy of two seats of elected officials on the lists of candidates of the said political party in the Commune of Port-Gentil, specifically in the second arrondissement, after the resignation of Mr. Sans Douté NZAMBA IBOUANGA and in the third arrondissement, due to the death of Pierre Louis AGONDJO OKAWE and, on the other hand, to proceed with their replacement respectively by Messrs. Sylvano ESSONGUE and Paul KOMBE; 2.- Considering that under the terms of article 15 of law n°19/96 of April 15, 1996 mentioned above, in case of resignation or death of one or more member(s) of a council, provision is made for their replacement by the candidate(s) who immediately follow(s) them on the list of candidates; 3.- Considering that after examination of the documents produced in the file, it appears that Mr. Sans Douté NZAMBA IBOUANGA, Municipal Councilor elected on the list of candidates of the Gabonese Progress Party in the second arrondissement of the Commune of Port-Gentil, has resigned from his seat by letter n° 000022 of January 6, 2006; that moreover, Master Pierre Louis AGONDJO OKAWE, Municipal Councilor elected on the list of candidates of the same political Party in the third arrondissement of the same Commune, died on August 27, 2005 in Libreville, as evidenced by the death certificate n 84/M4A CMB of August 29, 2005; that it is necessary to

note the vacancy of these seats and to provide for them by proclaiming elected municipal councilors, Messrs. Sylvano ESSONGUE in the second arrondissement, and Paul KOMBE, in the third arrondissement, in replacement respectively of Mr. Sans Douté NZAMBA IBOUANGA and Pierre Louis AGONDJO OKAWE ; D E C I D E : Article 1: It is noted the vacancy of two seats of elected officials in the second and third arrondissements of the Commune of Port-Gentil, after the resignation of Mr. Sans Douté NZAMBA IBOUANGA and following the death of Master Pierre Louis AGONDJO OKAWE, elected Municipal Councilors on the lists of candidates of the Gabonese Progress Party. Article 2: Messrs. Sylvano ESSONGUE and Paul KOMBE are proclaimed elected municipal

councilors respectively in the second and third arrondissements of the Commune of Port-Gentil, in replacement of Mr. Sans Douté NZAMBA IBOUANGA and Pierre Louis AGONDJO OKAWE. Article 3: This decision will be notified to the applicant, to the President of the Republic, to the Prime Minister, to the Bureau of the Senate, to the President of the National Assembly, to the Minister of the Interior, and published in the Official Journal of the Gabonese Republic or in a legal announcements newspaper. Thus deliberated and decided by the Constitutional Court in its session of May 11, 2006, where sat: Mrs. Marie Madeleine MBORANTSUO, President ; Messrs. It does not apply to general officers of the defense and security forces. CHAPTER I: ON REMUNERATION Article 2: For the purposes of this decree, remuneration is defined as the total emoluments to which the entitled parties may claim in return for services rendered,

independently of family benefits which are subject to specific texts. It is allocated in accordance

with the duration of work set by the regulations in force. CHAPTER II: CONSTITUENT ELEMENTS OF REMUNERATION Article 3: The remuneration of personnel covered by this decree includes the salary and salary supplements. That of these personnel considered to be on secondment is fixed by specific texts. That of the contractual personnel recruited outside the category covered by the State budget takes the form of a global flat salary exclusive of any other remuneration element. It is set by mutual agreement at the time of signing the initial contract and may be revalued at a maximum rate of 6% at each renewal of the contract, limited to two revaluations. SECTION I: ON SALARY Article 4: The salary includes a base salary and salary accessories. SUBSECTION 1: ON BASE SALARY

 Article 5: The base salary is based on rank, length of service, and length of rank. It consists of three elements: - a fixed element for all, equal to the minimum wage; - a variable element linked to the treatment index called the indexed salary; - a variable and progressive element called military charge. The base salary is based on a unique index system applicable to all. This system may be modified by decree taken on the joint proposal of the Ministers in charge of Finance, and the Public Service. Article 6: The indexed salary is equal to the product of the index by the value of the index point set by the texts in force. Article 7: The military charge is intended to compensate for all the obligations inherent to military status. Its percentage is set by a joint order of the Ministers in charge of Finance, National Defense, and Security. It is paid to all personnel of the Defense and Security Forces assigned to a defense or security position. Article 8: The base salary of personnel of the Defense and Security Forces is based on a unique index grid published in the annex of this decree. Article 9: For the purpose of establishing rights to retirement pension or reform salary, the base salary of the personnel of the Defense and Security Forces, reduced by the military charge, is subject to a deduction in accordance with the texts in force. SUBSECTION 2: ON SALARY ACCESSORIES Article 10: Salary accessories include allowances and family benefits. PARAGRAPH 1: ON ALLOWANCES Article 11: The allowances granted to personnel of the defense and security forces compensate for the particular obligations imposed on these personnel. These include: - housing and transport allowances; - the air salary allowance or the boarding allowance or the fire allowance; - the specific obligation allowance; - the special anti-crime allowance; - the prison risk allowance; - the campaign allowance. Article 12: Housing and transport allowances are granted to non-housed and non-transported officer and non-commissioned personnel. Article 13: Except for the specific obligation allowance, the air salary allowance, boarding allowance, and fire allowance are not cumulative. They are fully subject to tax. Article 14: The air salary allowance is granted to military personnel performing a certain annual number of flight hours or parachute jumps. The boarding allowance is granted to military personnel of the navy embarked on warships. The fire allowance is granted to military personnel of the Firefighters Battalion. Article 15: The specific obligation allowance is granted to military personnel of the republican guard. Article 16: The special anti-crime allowance is granted to police officers serving in the Anti-Crime Brigade or in the Research and Intervention Brigade as well as to gendarmes serving in the Security and Intervention Group of the National Gendarmerie. Article 17: The prison risk allowance is granted to personnel of penitentiary security ensuring the custody and escort of detainees. Article 18: The campaign allowance is granted to personnel of the defense and security forces participating in military or humanitarian operations abroad or internally. In case of serious threat, an anti-terrorism allowance may be granted to personnel of the defense and security forces participating in the fight against terrorism. Article 19: The allowance regime covered by this paragraph is based on a system of allowances expressed in fixed amounts or as a percentage of the base salary. The rates, percentages, and the modalities of their allocation are set by a joint order of the Ministers in

charge of Finance, National Defense, and Security. PARAGRAPH 2: ON FAMILY BENEFITS Article 20: The regime of family benefits applicable to personnel of the Defense and Security Forces is defined by law. SECTION 2: ON SALARY SUPPLEMENTS Article 21: Salary supplements consist of function allowances granted to personnel of the

defense and security forces appointed to staff, command, design functions or to certain particular positions. The list of functions classified by groups as well as the amounts of the function allowance corresponding to each of these groups are set by decree taken on the joint proposal of the Ministers in charge of Finance, the National Defense, and Security. CHAPTER III: MISCELLANEOUS AND FINAL PROVISIONS Article 22: Regulatory texts determine, as needed, the provisions of any nature necessary for the application of this decree. Article 23: This decree, which repeals all previous contrary provisions, notably those of decree n°000627/BIS/MDN/ MINECOFIN of May 29, 1982, of the decree

January 29, 1986 and 66 of law n°17/93 of September 1, 1993 mentioned above, sets the remuneration regime for the general officers of the defense and security forces and provides for reclassification. CHAPTER I: ON REMUNERATION Article 2: For the purposes of this decree, remuneration is defined as the total emoluments to which the general officers of the defense and security forces are entitled in return for services rendered, independently of family benefits which are subject to specific texts. Article 3: The remuneration of general officers of the defense and security forces includes the salary and salary supplements. That of these personnel considered to be in a detached position is set by specific texts. Article 4: The remuneration of general officers contractually recruited outside the category covered by the State budget takes the form of a global flat salary exclusive of any other element of remuneration. It is set by agreement between the parties at the time of the signing of the initial contract and may be revalued at a maximum rate of 6% at each renewal of the contract, limited to two revaluations. CHAPTER II: ON SALARY Article 5: The salary includes the base salary and the military charge. The salary of general officers includes in addition the salary accessories composed of allowances and family benefits. Article 6: For the purpose of establishing rights to retirement pension or reform salary, the salary of general officers of the Defense and Security Forces, diminished by

the military charge, is subject to a deduction in accordance with the texts in force. SECTION 1: ON BASE SALARY AND MILITARY CHARGE Article 7: The base salary varies according to grade and seniority. It is based on a unique grid attached to this decree. Article 8: The military charge is variable and progressive. It is intended to compensate for the inherent requirements of military status. Its percentage is set by joint order of the Ministers responsible for Finance, National Defense, and Security. SECTION 2: ON SALARY ACCESSORIES Article 9: Salary accessories include allowances and family benefits. Sub-Section 1: ON ALLOWANCES

 Article 10: The allowances granted to the general officers of the defense and security forces compensate for the specific obligations imposed on these personnel. These include: - housing and transport allowances; - the air salary allowance or the boarding allowance; - the specific obligation allowance; - the campaign allowance; - the prison risk allowance. Article 11: Housing and transport allowances are granted to general officers who are not housed and not transported. Article 12: Except for the specific obligation allowance, the air salary and boarding allowances are not cumulative. They are fully subject to tax. Article 13: The allowance system covered by this subsection is based on a system of fixed allowances or percentages relative to the basic salary. The rates, percentages, and the terms of their allocation are set by a joint order of the Ministers responsible for Finance, National Defense, and Security. Article 15: The air salary allowance is granted to general officers of the Defense and Security forces who have completed a certain number of annual flight hours or parachute jumps. The boarding allowance is granted to general officers embarked on warships. Article 16: The specific obligation allowance is granted to general officers of the republican guard. Article 17: The campaign allowance is granted to general officers of the defense and security forces participating in military or humanitarian operations abroad or domestically. Article 18: The prison risk allowance is granted to general officers of the Penitentiary Security occupying positions of responsibility related to the activities of their corps. SUBSECTION 2: FAMILY ALLOWANCES Article 19: The family allowance system applicable to general officers of the Defense and Security Forces is defined by law. CHAPTER III: SUPPLEMENTS TO SALARY Article 20: Salary supplements consist of function allowances granted to general officers of the defense and security forces appointed to staff, high command, high design, or certain specific positions. The list of functions classified by groups as well as the amounts of the function allowance corresponding to each of these groups are set by decree taken on the joint

proposal of the Ministers responsible for Finance, National Defense, and Security. CHAPTER IV: MISCELLANEOUS AND FINAL PROVISIONS Article 21: Regulatory texts determine, as needed, the provisions of any nature necessary for the application of this decree. Article 22: This decree, which repeals all previous contrary provisions, will be recorded, published according to the emergency procedure, and communicated wherever necessary. Chapter I: GENERAL PROVISIONS Article 2: For the purposes of this Order, the following definitions apply: a) Lubricants: blending products made from mixtures of mineral, synthetic, or both (2) types of base oils, with various chemical products called additives b) Base oils: products derived from a cut of crude oil obtained in a refinery; c) Used oils: the residue of lubricants from the draining of engines of motor vehicles or any other mechanism using lubricants; d) Packaging: plastic or aluminum cans and metal drums of various capacities; e) Bung: the largest outlet opening of a drum; f) Labeling or Marking: all information allowing the identification of the contents of the packaging; g) Authorized distributor: any natural or legal person having a technical authorization for the consumption of lubricants in the Gabonese Republic; h) Grade: the representative value of the viscosity degree of a lubricant; i) Performance Level: the ability of a lubricant to maintain optimal operation of the engine for as long as possible for which it was designed; Article 3: The different types of lubricants are: - gasoline engine oils; - diesel engine oils; - transmission oils; - aviation oils; - marine oils; - industrial oils; - greases; - special oils other than those mentioned above; Article 4: Lubricants must be packaged in new and clean containers. Article 5: Metal packaging must show no signs of rust or corrosion that could compromise the quality of the product. Article 6: Packaging must be equipped with a leak-proof closure system ensuring the integrity of the contents and resistant to transport, handling, and storage conditions. Article 7: Labeling or marking on the packaging must be visible, legible, and indelible and must include the following mentions: • the name of the type of product in accordance with Article 3 of this Order; • the net quantity, expressed in liters or kilograms, according to the nature of the product; • the grade; • the classification; • the performance level; • the name or business name of the manufacturer, or distributor, if applicable; • the mention "mineral oils" or "synthetic oils" or "regenerated oils" according to the base oils used. Chapter II: MINIMUM REQUIRED PERFORMANCE LEVELS OF LUBRICANTS Article 8: The lubricants mentioned in Article 3 above must meet the minimum performance levels as defined in the table in the annex of this Order. Article 9: Any lubricant put into consumption in the Gabonese Republic must be accompanied by its analysis report. Article 10: Unannounced inspections will be regularly conducted by the Administration and samples will be taken and analyzed to ensure the quality of the lubricants put into consumption. These inspections will be conducted jointly by the competent services of the General Directorate of Hydrocarbons and the

General Directorate of Studies and Laboratory. Chapter III: TERMS AND CONDITIONS FOR IMPORTATION AND MARKETING OF LUBRICANTS Article 11: Any natural or legal person is eligible to import and/or market lubricants in the Gabonese Republic. Article 12: The importation and/or marketing of lubricants is conditioned by obtaining a technical authorization issued by the competent services of the General Directorate of Hydrocarbons. Article 13: The issuance of the technical authorization by the General Directorate of Hydrocarbons is subject to the presentation of a file including the elements as defined in Annex II of this Order. Article 14: Any importer and/or authorized distributor of lubricants must have a sufficient storage area, known and authorized by the competent services of the General

Directorate of Hydrocarbons. This storage area may be covered or uncovered. Article 15: In the case of a covered storage area, drums may be stored vertically and stacked to a height that allows for easy handling. Article 16: If the importer or authorized distributor has an uncovered storage area, drums must be stored horizontally, bung side up, stacked on top of each other to a height limit that allows for easy handling.

 Article 17: Plastic or aluminum packaging conditioned in cartons must be stored under a covered area. Article 18: All residues referred to as "Used Oils" from lubricants made available for consumption in the national territory must be subject to recovery, in accordance with current regulations. Chapter IV: SANCTIONS Article 19: The temporary closure of a storage area or sales point will be pronounced by the competent services of the General Directorate of Hydrocarbons in the following cases: • Non-compliant storage conditions; • Absence of an analysis certificate; • Absence of labeling or marking; • Absence of technical authorization. Article 20: The offender has a period not exceeding fifteen (15) calendar days to regularize their situation. After this period, the definitive closure of the storage area or sales point will be pronounced by the Director General of Hydrocarbons. Article 21: Based on the report of the Director General of Studies and Laboratories, the definitive closure of a sales point will be pronounced by the Director General of Hydrocarbons in case of proven non-compliance of the products made available for consumption. Article 22: Without prejudice to criminal sanctions, any offender against the provisions of this Order is liable to pay a fine not exceeding two (2) million CFA francs. Chapter V: FINAL PROVISIONS Article 23: The Director General of Hydrocarbons and the Director General of Studies and Laboratories are responsible, each in their respective areas, for the implementation of this order, which will be published in the Official Journal and communicated wherever necessary. Article 2: The depots of explosive and detonating substances will be located at the site known as "ILALA" at PK 11 of Tchibanga. They will be established in the location marked on the overall plan and in accordance with the detailed plans and sections attached to the authorization request. They belong to the surface type. Article 3: The quantity of explosives contained in the depot must not exceed at any time the maximum of 20 tons of class 1. This quantity will be halved if the explosives are not cartouched and if they are also contained in non-sealed containers or containers that can be opened in the depot. Article 4: The boxes of

explosives must be placed on supports not exceeding a height of 1.60 meters above the ground and their handling must be easy. Article 5: The depot must be kept in a constant state of order and cleanliness both inside and within a radius of 50 meters around the depot. The introduction into the depot of flammable materials or materials capable of producing sparks, especially detonators, primers, and matches is prohibited. It is forbidden to make fire and smoke inside and around the depot. Article 6: The depot must be adequately ventilated, but the ventilation openings must be arranged so as not to allow the introduction into the depot of substances capable of causing an explosion. Article 7: The depot will be placed under the general supervision of a responsible officer, and under the direct and permanent supervision of agents

specifically assigned to guard the depot. The agent in charge of guarding the depot must have a shelter, adequately protected against an explosion, but located in such a way as to allow effective surveillance of the depot. Article 8: The depots will be surrounded by a strong defensive fence at least two meters high, intended to protect them against theft and attacks. Article 9: A register of receipt and consumption of explosives and detonators will be kept up to date and must be presented at any request from the authorities. Monthly or quarterly activity reports will be submitted to the administration to allow regular monitoring of the movements of explosive products. Article 10: The commissioning of the depot can only be done after notification to the permit holder by the Director General of Mines and Geology, of a visit report drawn up by a responsible agent materialized by a certificate of conformity; this visit must be made within thirty (30) days from the date of signature of this authorization. Article 11: The detonator depot will be constituted by a special cabinet equipped with a safety lock placed in a room that does not contain explosives; flammable materials and naked flames will be prohibited in this room. Article 12: The quantity of detonators contained in the detonator depot must not exceed at any time the maximum of 5,000 units. Article 13: The Governor of Nyanga and the Director General of Mines and Geology are each responsible for the implementation of this order, which will be published in the Official Journal of the Gabonese Republic and communicated wherever necessary. The Vice-Prime Minister, Minister of Environment, of Nature Protection, of Research and Technology; Considering the Constitution; Considering decree n° 00075/PR of January 20, 2006 setting the composition of the Government of the Republic; Considering law 16/93 of August 26, 1993 relating to the Protection and Improvement of the Environment; Considering ordinance n° 05/76 of January 22, 1976 creating the National Anti-Pollution Center; Considering decree n° 000323/PR/MRSEPN of April 2, 1977 regarding the organization of the National Anti-Pollution Center; Considering decree n° 000913/PR/MEPN of May 29, 1985 regarding the attributions and organization of the Ministry of Environment and Nature Protection; Considering decree n° 000539/PR/MEFEPEPN of July 15, 2005 regulating environmental impact studies; Considering decree n° 000/PR/MEFEPEPN of July 15, 2005 setting the legal regime for classified installations; Considering the necessities of service; IT IS HEREBY ORDERED: Article 1: This order, made in application of the provisions of article 29 of decree n° 543 of July 15, 2005 mentioned above, sets the modalities for controlling classified installations. GENERAL PROVISIONS Article 2: For the purposes of this order, the modalities for controlling classified installations aim at all the general operations of preparation and organization of inspections and investigations required for the application of laws and regulations concerning health, protection, and improvement of the environment in the Gabonese Republic. In this respect, it aims to: -uniform the action and interventions of the agents referred to in article 76 of law n°16/93 of August 26, 1993 mentioned above, -clarify the concepts of inspections and investigations; -specify the modes of operation; and -identify the necessary tools for inspections and investigations. Article 3: For the purposes of this order, the following terms are defined: -Investigation: act by which a state agent enters a classified installation to seek, for the purpose of repression, evidence of the violation of the law; -Inspection: act by which a state agent enters a place other than a private residence, generally during opening hours, to ensure compliance with the law and regulations, without there being a reason to believe that an offense has been committed or to seek something specific. The inspection is carried out preventively. Chapter 1: CONTROL PROCEDURE Article 4: The persons responsible for controlling classified installations are sworn agents in accordance with the texts in force. In the execution of their missions, they enjoy the powers provided for in article 78 of law n°16/93 of August 26, 1993 mentioned above and other

texts in this matter. In this capacity, they may in particular enter buildings, vehicles, boats, trains, planes to collect samples, install measuring devices, conduct analyses, consult records. Outside the aforementioned places, investigations and control visits must be carried out in the presence of a judicial police officer with general competencies. Article 5: Subject to the provisions of article 9 below, any inspection is initiated at the request of the Minister in charge of the environment, if necessary, by the Provincial Government or the Prefect, particularly in the following cases: -complaints from the population; -request from public administrations or private organizations; -information or intelligence gathered. Article 6: During an inspection, the sworn agent may seize any document, object, or other, if they have reasonable grounds to believe that they constitute probative evidence of an offense.

 Article 7: The agent is responsible for the custody of the seized evidence until its return is pronounced by the administration or the competent judge. Article 8: Any sworn agent must, during any inspection,

present their special professional card and their mission order. Article 9: In case of emergency, any sworn agent may exercise investigative powers without a warrant. Chapter II: PROSECUTION OF OFFENSES Article 10: When no offense has been observed, the inspection file is closed. In the contrary case, the observed inspection is subject to a report. The reports are valid until proven otherwise of the non-existence or inaccuracy of the reported facts or any other reason for irregularity. Article 11: The report referred to in article 10 above must be drawn up without stains or erasures on a specific form. It must necessarily include, in order: - the chronological order number followed by a bar and the year; - the nature of the observed offense; - the location of the offense observation; - the names, first names, number, date and place of oath of the Agent or the reporting officer; - the exact identity of the author of the offense and, if applicable, the civilly responsible party; - the exact description of the facts that caused this offense, - the express mention of the provisions penalizing the observed offense, - the declaration of the author(s) pursued and the measures recommended by the or all agents reporting. - the mention of the place and date of closure. Article 12: The report must be established in six copies, sealed and signed by the or all agents reporting and by the author of the facts whose signature is preceded by the mention 'read and approved'. Copies of the report are sent to: - the Directorate in charge of Litigation; - the nearest Public Treasury to the place of closure of the report; - the author of the offense; - the archives service of the administration of the reporting agent; - the General Directorate of taxes. Article 13: Without prejudice to the prerogatives recognized to the public prosecutor, the sworn agents of the administration of environment are charged, in the general interest, with the prosecution of offenses committed in relation to environmental damage. Article 14: Any person who has committed an offense of which the report of observation has been notified disposes of a period of 20 days to present themselves to the litigation service of the administration of the environment. Otherwise, the report of observation of the offense is transmitted to the Public Prosecutor. In any circumstance, the administration of the environment may become a civil party. Article 15: The power to use legal remedies is reserved for the Minister in charge of the Environment who exercises it through the local officials of the said administration. Chapter III: SPECIAL PROCEDURES FOR PRELIMINARY RECOVERY PRIOR TO PROSECUTIONS Article 16: In addition to the administrative measures provided for in the texts in force, only the agents of the administration of the environment may, in the context of the repression of offenses related to the environment, either use the transaction procedure or refer the public prosecutor for criminal prosecution. Article 17: The authors of the offenses may request the benefit of a transaction. This request is only admissible if it presents for the administration of the environment, an economic interest reflecting as much as possible the value of the damage suffered. Article 18: Only the Environment agents mentioned below are authorized to transact under the conditions set as follows: The head of the zonal brigade or the head of service, when the fine incurred is between 10,000 and 10,000,000 CFA francs; The Directors of the central administration, when the fine incurred is between 10,000 and 50,000,000 CFA francs; The Director General of the Environment or the National Anti-Pollution Center,

regardless of the amount of the fine incurred. Article 19: The transaction act must mention: The reference of the Report of observation of the offense; The identity and quality of the agent proposing the transaction to the hierarchy; The identity of the beneficiary of the transaction; The date, amount, and conditions for settling the transaction; The signature and seal of the authority granting the transaction; The signature or seal of the author of the offense. The collection title related to the transaction is established by the administration of environment and transmitted à the domain administration for recovery. Article 20: Transactions in the field of the Environment are proportional to the damages suffered by the State. The determination of a transaction rests essentially on: The legal basis constituted by the amounts set by the texts in

force, The economic calculation reflecting as much as possible the value of the damage suffered.

MAY 2006-N°5 OFFICIAL JOURNAL OF THE GABONESE REPUBLIC 23 Article 21: The transaction thus evaluated and accepted must be paid to the nearest Public Treasury within the deadlines and conditions set by the transaction act. Article 22: In cases where the transaction has been successful, the Ministry of Environment loses the right to proceed against the author of the offense. Chapter IV: VARIOUS AND FINAL PROVISIONS Article 23: A agent under oath cannot be prosecuted for acts performed in good faith in the exercise of their duties. Administrative sanctions, even criminal ones provided by current texts may be taken against agents who do not carry out their missions in accordance with the established rules. Article 24: The Director General of the Environment and the Director of the National Anti-Pollution Center are responsible, in this regard, for the application of this decree which will be registered, published, and communicated wherever necessary.
